COMPANY PROFILE

Established in Ludhiana, Punjab, India since 1984, Electro Sales set its foot as an industrial electrical supply company, known for delivering reliable, durable, high-quality products and solutions. Based on the foundation of expertise, quality, and trust, we cater to a wide range of clients, from manufacturing units to industrial projects, delivering reliable products that power innovation and growth.

Over the years, the company has reputation of excellence and professionalism for continuously providing our customers with innovative and cost-effective electrical supplies that meet their unique operational needs. As an electrical solution specialist, with more than 7000 products ranging from switchgears, control panels, panel accessories, automation, wires and cables we also engage in electrical product installations, control panel fabrication, preventive maintenance, automation, and energy saving solutions.

OUR STRENGTH

Experience : Decades of industrial knowledge and expertise.

Quality Assurance : Trusted, durable products from leading manufacturers.

Customer-Centric Approach : Tailored solutions to meet diverse industrial needs.

Wide Product Range : Comprehensive inventory for all industrial electrical and electronics requirements.

OUR VISION

To be the leader in industrial electrical and electronics sector by providing best-in-class topnotch electrical products and services, consistently delivering value, fostering innovation, and building long-term relationships with our clients by providing them products ranging from anything to everything.

OUR PRODUCT RANGE

➔ SWITCHGEAR

- ACB's And MCCB's
- Switch Disconnecter Fuse Unit
- Changeover Switches
- Bypass Switches
- HRC Fuse Links, Fuse Bases and Fuse
- Contactors and Overload Relays
- Motor Starters (C&S Electric)
- MCB's (C&S Electric and Schneider)
- Industrial Plug and Sockets (Ideal)
- Control and Signal Devices

➔ AUTOMATION PRODUCTS

- Proximity Sensors
- Photo Electric Sensors
- SSR (Solid State Relays)
- Limit & Micro Switches
- Signal Lights
- Rotary Encoders
- Reed Switches

➔ POWER SUPPLIES (SMPS)

- Enclosed Type
- Din Rail Mounted

➔ FANS & FILTERS

- Axial Fans
- Centrifugal Fans
- Air Vents
- Fan Finger Guards

➔ PANEL ACCESSORIES

- PVC Channels
- MCB Channels
- Conduit Pipes and Glands
- Insulators
- End Terminal, Lugs and Connectors
- Terminal Blocks
- Bakelite and PVC Connection Strips
- Cable Ties
- Push Buttons and Indicators.

➔ INSTRUMENTS

- Digital Multimeters
- Digital Clamp Meters/Tong Testors
- Infrared Thermometers
- Laser Distance Meter
- Insulation and Earth Testors
- Lux Meter
- Sound Level Meter
- Metal Detectors

➔ TOOLS

- Plier Type Tools
- Hydraulic Tools
- Cable Cutters

➔ METERS

- Ampere, Volt and VAF Meters.
- Pid's and Temperature Controllors.
- Energy and Multi Function Meters.

➔ PROTECTION RELAYS

- Voltage Sensing Phase Failure Relays
- Motor & Pump Protection Relays
- Current Sensors
- Single & Three Phase Voltage Monitoring Relays
- Microprocessor Based Digital Voltage Scanners
- Water Level Controllers & Moisture Relay
- Diesel Level Control Relay & Sensor
- Pump Automation Products
- Power Line Transducers
- Microprocessor Based Alarm Annunciators
- Twin AC Controller.

➔ DIODES & MODULES

- Diodes
- Thyristors
- IGBT's
- Bridge Rectifiers
- Power Modules

➔ OTHERS

- Rotary & Cam Switches
- Limit & Micro Switches
- Counters & Timers
- Wires & Cables
- Drag Chains
- Hoist Push Buttons
- Foot Switches
- Crane Pendants
- Float Switches
- AC Solenoids
- Control and Junction Boxes
- Speed Controllers
- Hooters and Sirens
- Monolever Switches
- Thermocouples
